### DETAILED ACTION

1. Applicant's election without traverse of Species I, Figures 3, 4a-4b, claims 1-6, in the reply filed on November 6, 2006 is acknowledged.

2. The abstract of the disclosure is objected to because it should be in the form of a single paragraph. Correction is required. See MPEP § 608.01(b).

3. In the instant specification, it is noted that all of the section titles are placed between brackets, which may be mistaken for items that are to be deleted. Applicant is suggested make corrections by removing the brackets.

4. In claim 1, line 1, "comprising;" should be corrected to -- comprising:--.

In claim 2, lines 1-2, "the connecting wire or the connecting wire" is a typo, and thus should be corrected to -- the connecting wire or the connecting pipe --.

5. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless – (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

6. Claims 1-2 are rejected under 35 U.S.C. 102(b) as being anticipated by Nelson (US 2,036,535).

Nelson discloses an articulated truck having all the features as recited in the instant claims, including a connecting pipe mounted to the truck frame as shown in Figures 3-7 of Nelson; wherein, the connecting pipe has connecting members 46 at the end portions thereof.

Art Unit: 3617

7. Claims 3-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark T. Le whose telephone number is 571-272-6682. The examiner can normally be reached on Mon-Fri (9-6), except day-off Wed.
